

REMOTE TEAM
SOLUTIONS

UNLEASHING YOUR HR SUPER POWER

HR LEADERS CAN EMPOWER YOUR COMPANIES GROWTH

Board Level Impact

As an HR leader, you can help accelerate growth. Imagine telling the CEO that the sales team (or development team or customer success team) could grow by 10 new members instead of the 4 that were budgeted! We recruit specifically for your needs, so the sky's the limit!

- Accounting
- Designers
- Project management
- IT
- Engineering
- ... or any position you need

Your Secret Weapon

It's amazing to have a rock-solid partner that sources top 5% talent at a 60% savings. But knowing that the turnover rate is less than 2% is almost unbelievable and drives ROI through the roof! Having the world's most cost-effective talent is an ROI secret weapon that no HR team should be without.

It's time to maximize your HR Super Powers with Remote Team Solutions!

"Remote Team Solutions Is Undoubtedly the Best Staffing Company in Mexico"
NEW YORK WEEKLY

They do an amazing job bringing us high-quality talent that meets our criteria, and we don't have to worry about keeping our candidate pipeline full. Remote Team Solutions is doing all the hard work for us. Thank you guys, for helping us grow our business and meet our talent requirements"

Ethan Lieber
CEO, Latchel

"Their proactive approach and responsiveness impressed us."
Toka Abdelkader
Human Resources Manager, Intouch.com

"The RTS team is available, accommodating, and collaborative when working with our managers and HR team to find solutions to our needs. RTS has sourced and maintained strong candidates for Ranger who have been proven performers and integrated well with our team."
Julianne Baird, MIR
VP Human Resources, Ranger Design
